:

Dear Rotarians,

Our club is such a great venue for meeting people and developing good business relationships. Think about all the people that you know through Rotary that you may have never met had you not both been members of this club. Spend a few moments thinking of community members that would make a significant addition. If you consider all of the many different professions that make up the Baytown community, then consider who is NOT included as a member, it may help you target someone who you hadn't ever thought about as a possible Rotarian.

As always, the potential candidate's moral standards and integrity are of utmost importance as well as their ability to commit to the activities that are required of us. Attrition is something that all clubs must be concerned with, so it is in our best interest to continue to steadily bring in folks that we know will help us maintain our level of excellence and status as the best service club in Baytown! Please put your thinking cap on as each of you can help grow our club!

Yours in Rotary,
Pam
